## 2 Purchasing an item through iGive.com:

Think of an item you need. (I myself purchased a set of airbrush paints from Blick Art Materials). Look in their list of stores one that might have what you want and buy it. Each store offers a percentage of the sale to BAA. Some stores have some rules to follow. Also with your first purchase BAA will get a \$5.00 donation. Within a few days from the purchase, you will see the records of the donations that your purchases originated. It also shows the stores you have visited. Once a month if BAA has accumulated \$25 or more, a check will be sent to BAA. If within a month BAA has not accumulated \$25, whatever has accumulated in this month will roll for the next month.

In order to get the donation the purchase has to be done through the line. And you have to be a member of iGive.com. That is all.

## 3 Spread the word:

Also you can copy these instructions and e-Mail to as many people as you want and tell them to do the same thing and BAA will benefit from each purchase that they make. In addition BAA will have higher possibility to win other donations available. Please look at <http://www.iGive.com> and learn more about it.
